## Gift aid it

If you are a UK taxpayer, any donation you make to a charity is regarded by the Inland Revenue as being made from income which has already suffered tax. Gift Aid is a scheme that allows registered charities to claim back from the Inland Revenue the amount of tax you have paid in relation to your donation.

Using Gift Aid means that for every pound you donate to our charity, we get an extra 25 pence from the Inland Revenue, helping your donation to go further. A £10 can be turned into £12.50 just so long as donations are made through Gift Aid..

If you are a tax payer, just complete this form and send it back to us with your donation or standing order form.

1) You must pay an amount of income tax and/or capital gains tax at least equal to the tax that the charity reclaims on your donations in the tax year (currently 25p for each £1 you give). 2) If in the future your circumstances change and you no longer pay tax on your income and capital gains equal to the tax that the charity reclaims, you can cancel your declaration (see note 1). 3) You can cancel this declaration at any time by notifying the charity. 4) If you pay tax at the higher rate you can claim further tax relief in your Self-Assessment tax return. 5) If you are unsure whether your donations qualify for Gift Aid tax relief, ask the charity, or ask your local tax office for leaflet IR 65. 6) Please notify the charity if you change your home address..
